Enys Dodnan, Land's End. Enys Dodnan, "the island with earth upon it," is one of the strangest sights that the Land's End can provide. The top of the rock is covered with a fine green cap of turf, and through the outside of it goes a fine natural arch, 40 feet high. Enys Dodnan can be reached and climbed at low tide by anyone who does not object to a stiff bit of crag work.
